Item #EZ VAC III

The EZ Vac III provides a powerful performance for a variety of cleaning tasks. Designed for ease of operation and heavy use, these machines can be used for wet or dry operations.

Comes standard with a 12-gallon tank, hepa filter, and 24-inch front-mounted squeegee. A 3-foot flexible drain hose is attached for quick and efficient emptying of the tank.

The tip-back dumping mechanism means dumping into a bucket is simple and no more clogged waste in the hose!
